President's Message

Fran Vaughn

Well our 2014-15 BNC season has begun with a wonderful program by Lisa Frankenburger from Consumer Credit Counseling Service! Just when we thought that there was not much more to learn about a subject, Lisa gave us a few helpful hints and tips to keep in mind when dealing with our credit. I think that everyone took away at least one useful hint.

October is going to be FULL of opportunities to join with NYS Women, Inc. both with our chapter and with others throughout the state. We will begin the month with the Buffalo Niagara Chapter celebration of our 80th Anniversary Celebration at the Twentieth Century Club, on Oct. 1st. We will be honoring Althea Luehrsen, a woman who has made a big difference in the Buffalo Niagara region. Please make it a point to invite other women who share our interest in promoting powerful women; this will be a great showcase for our organization.

On Oct. 3-5 the NYS Women, Inc. fall board meeting is being held in Owego; I'm looking forward to training and networking with this larger group of our membership. In the middle of October (the 19th) is our Region VIII meeting. Meetings with the state and region groups will give you a greater out reach for building your connections with more people. All members are welcome.

And last, I want to mention a statewide project that Sue Mager has agreed to lead. In coordination with ZONTA, NYS Women, Inc. will collect gently used bras, send them to Africa where women freed from human trafficking (and the sex trade) will sell the bras in a legitimate business and thus earn a decent living for themselves and their children. If you have bras that you can no longer use, Sue will collect them and take them to the collection point for you. The following link will describe the project in more detail. <http://yourhub.denverpost.com/blog/2014/07/zonta-collects-bras-for-free-the-girls/50545/>
